Foreword

Nizar Abubacker
CEO of Academies Australasia College

Greetings and warm regards,

Welcome to Academies Australasia College (AAC), a part of the prestigious Academies Australasia Group Limited, a publicly listed education group in Australia with a legacy spanning over 122 years. Established in 1908, Academies Australasia has grown into a respected educational leader with a network of 17 colleges across Australia and AAC in Singapore, serving students from over 70 countries.

At AAC, we are proud to offer an exceptional learning environment where students from diverse backgrounds come together to pursue academic excellence and career-focused education. Our programs are designed to equip students with the skills, knowledge, and real-world

experience needed to excel in fields like Business, Information Technology, Tourism and Hospitality, Logistics and Supply Chain, and more. These courses are carefully structured in partnership with industry leaders and are delivered by a team of experienced and dedicated faculty.

Our commitment to quality extends beyond the classroom. We are uniquely positioned within Singapore's educational landscape, with strong ties to the industry and global partners. Through our partnerships with renowned universities, including the University of Derby (UoD) and AAPoly in Australia, we offer pathways to top-up degrees that are recognized worldwide, ensuring our students are globally competitive and career-ready.

At AAC, we understand that education is about more than obtaining qualifications—it's about building futures. Every program we offer is designed to inspire personal growth, cultivate resilience, and open doors to a world of opportunities. I invite you to join us at AAC, where we are dedicated to empowering you for a successful future in today's fast-evolving world. Thank you for considering Academies Australasia College as your education partner. We look forward to supporting you on this exciting journey.

ACADEMIES AUSTRALASIA GROUP

Academies Australasia Group Limited has been operating for more than 122 years, providing students worldwide with quality learning experiences. Listed on the Australian Securities Exchange (ASX), Academies Australasia upholds rigorous standards, complying not only with the education sector's requirements but also with the ASX's strict financial and reporting regulations.

Academies Australasia Group serves students from over 136 countries, more than half the world. The group includes 18 colleges, each licensed to operate as an independent educational institution. The colleges are located in five states in Australia – in Sydney, Melbourne, Brisbane, the Gold Coast, Adelaide, Perth, Armidale and Dubbo – and AAC in Singapore.

With its rich history and expansive reach, Academies Australasia remains committed to providing education that meets global standards and prepares students for success.

ACADEMIES AUSTRALASIA COLLEGE

Academies Australasia College (AAC) is a distinguished institution in Singapore, part of the prestigious Academies Australasia Group. AAC offers a comprehensive range of programs in partnership with leading universities and educational institutions worldwide, focusing on pathways to higher education in Australia, the UK, and Singapore. AAC is renowned for delivering high-quality education, preparing students for global careers in fields such as hospitality, business, information technology, and more.

Our Vision: To be recognised as a provider of quality education.

Our Mission: To equip students with a good foundation of knowledge, skills and aspirations in preparation for employment and lifelong learning.

Our Values: Respect & Openness, Innovation & Learning, Customer Focus and Enthusiasm & Commitment.

PREPARATORY COURSES

For nearly two decades, Academies Australasia College has been dedicated to preparing students for the next phase of their education. Over the years, we have gained valuable experience and insights into ensuring that our students acquire the necessary knowledge to successfully pass entry exams.

One of the key strengths of Academies Australasia College is our proprietary training materials. These resources have been carefully refined over time to optimize learning outcomes and consistently improve student pass rates.

Our approach to learning is both progressive and practical, ensuring that students master each module before advancing to the next, providing a solid foundation for academic achievement.

PREPARATORY COURSES FOR

- **AEIS** | Admission Exercise for International Students Admissions
- **O-Level** | Singapore Cambridge General Certificate of Education - Ordinary Level
- **IGCSE** | Cambridge International General Certificate of Secondary Education
- **IELTS** | International English Language Testing System

PROFESSIONAL CERTIFICATE COURSES

Academies Australasia College (AAC) offers a dynamic range of Professional Certificate Courses tailored for individuals looking to enhance their skills, broaden their expertise, and advance in their careers.

Our professional certificate courses are taught by industry-experienced instructors who bring real-world insights into the classroom. Each course is structured to help you gain specific competencies and stand out in a competitive job market.

Whether you're starting fresh, up skilling, or transitioning into a new field, AAC's professional certificate courses will provide you with the tools and techniques needed to achieve your career or personal goals!

AVAILABLE COURSES

- Summer Camp
- English Programmes
- Customer Service
- Personnel Development

TERTIARY PROGRAMMES

Academies Australasia College offers a range of tertiary courses, providing a seamless educational pathway from Diploma to Advanced Diploma, culminating in a Bachelor's Degree at AAC itself in partnership with University of Derby.

Students complete the Diploma and Advanced Diploma programs in Singapore. For the Bachelor's Degree, a one to two years top-up option is available, with the flexibility to study in Singapore, Australia, or the United Kingdom.

Key advantages of our tertiary courses include:

- **Progressive Learning:** Students are assessed on a modular basis, ensuring comprehensive understanding at each stage.
- **Frequent Intakes:** Monthly enrollment opportunities allow students to start their studies promptly.
- **Proven Success:** A high percentage of our graduates secure employment or pursue further education.
- **Paid Internship:** Some of our courses include a 6-month paid internship as part of the Diploma phase, providing valuable hands-on experience within the curriculum.

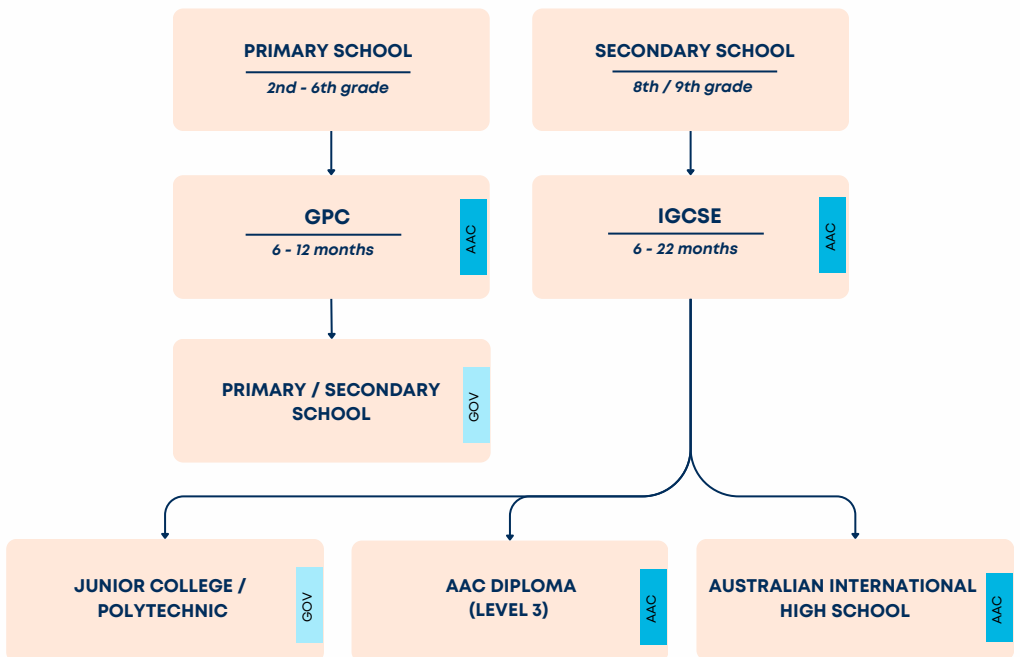

AVAILABLE COURSES

- Business Management
- Information Technology 
- Hospitality Management 
- Tourism Management 
- Retail Management 
- Leadership and Management
- Project Management
- Logistics and Supply Chain Management 

 Paid Internship available

Preparatory Pathways

Students who complete either of our preparatory courses (GPC or IGCSE) will have several options to advance their education. For those in the GPC pathway, students will proceed by enrolling in a designated government primary or secondary school. For those in the IGCSE pathway, students can choose to join Singapore's education system (Junior College or Polytechnic), pursue tertiary education with Academies Australasia College in Singapore, or continue their studies at the Australian International High School in Sydney, Australia.

● GOV > SINGAPORE GOVERNMENT SCHOOL
● AAC > ACADEMIES AUSTRALASIA COLLEGE

Tertiary Pathways

Based on student's educational level, they may choose to enroll in one of our Diploma program. At the end of the pathway, student will have the option to pursue a top-up Bachelor's degree either in Singapore, the United Kingdom, or Australia.

Students can select from several specialized fields, some of which include a 6-month paid internship as part of the curriculum, providing valuable hands-on experience within the curriculum.

- Business Management
- Information Technology
- Hospitality Management
- Tourism Management
- Retail Management
- Leadership and Management
- Project Management
- Logistics and Supply Chain Management

Student Experience

Diversity

Diverse Students

We take pride in our diverse student population, representing over 15 nationalities. This vibrant and multicultural community enriches the learning experience, fostering cross-cultural friendships and encouraging a deeper understanding of global perspectives.

Activities

Extracurricular Activities

Our students actively participate in a range of activities, including cultural events, student clubs, and community engagement programs. These activities promote teamwork and leadership development, enriching the overall student experience.

Community

Community Service

Our students are dedicated to giving back to the community. They actively engage in various community service projects, volunteering their time and skills to make a positive impact both locally and globally.

Global

Global Perspective

We encourage students to embrace a global perspective through cultural exchange programs, international partnerships, and educational trips. These experiences expand their horizons and prepare them for a connected world.

Excellence

Academic Excellence

We place a strong emphasis on academic excellence. Our students are dedicated to their studies, with many achieving high distinctions and progressing to prestigious universities around the world.

School Facilities

Conducive Learning Environment

The school has committed to offer each student a clean, healthy and conducive learning environment. Below shows the facilities that are available to our students. Note that all rooms are air conditioned.

- 19 classrooms (up to 46 pax)
- Computer Lab (with 10 computers)
- Tutorial rooms
- School Library
- Conference Room
- Wireless internet
- Toilets for physically challenged students
- Accessibility to National Library
- Water dispensers / Vending machines

Students' Testimonials

(July/24)

AAC provided excellent hospitality in terms of student services from start to finish. They were very helpful and supportive. I would especially like to mention Sir Terence and Ms. Aqilah, who helped me a lot. Thank you so much! I also want to thank everyone from the student services team at AAC. I truly appreciate their outstanding hospitality and service.

MOHAMED SAAJIDH

Hospitality Management

(Jun/24)

AAC is a school with a good learning environment. Teachers are friendly, enthusiastic and kind. Their teaching skills make us love the subject more. The teacher is friendly and enthusiastic in helping me prepare admission papers and entrance tests. I am grateful to him for helping me. Everyone here is so lovely and kind.

THUY TIEN

Business Management

(July/24)

I am a student at AAC. I am very happy with the student services at this school. The reason for that is that they take good care of everything and do everything as soon as possible. They are more concerned about us than we are. Thank you very much for that.

RUSHITHA PERERA

Information Technology

(Oct/24)

I would like to extend our heartfelt gratitude to Mrs. Ranitha Doyle from the AAC EFL class. Mrs. Ranitha has been incredibly patient with students who struggle with the language. She offered clear explanations and encouraged her students, helping her students build confidence in English learning.

LI BOYI

English Programme

Students' Testimonials

(May/23)

My experience with AAC lectures has been incredibly positive and transformative. The high-quality education, focus on practical skills, supportive environment, and career development opportunities have all contributed to enhancing my life in numerous ways.

SAJANI

Hospitality Management

(Jun/24)

Currently, I'm attending the Diploma of Logistics and Supply Chain Management at AAC. I highly recommend the student services to anyone in need of support during their academic journey. Thank you for going above and beyond to ensure my success and well-being.

SOE TUN (CHRIS)

Logistic and Supply Chain

(Sep/23)

I joined the DIT program, and the assistance was excellent and very helpful. Miss Julie was especially helpful with the entire student report process. I highly recommend joining Academies Australasia College in Singapore.

PAMOD PIUSHAN

Information Technology

(Apr/24)

The college offers a comprehensive educational experience. Special mention to my lecturer of the subject: 'Program Delivery Management', Mr. Phillip Wee, he is an Exceptional educator! I wish him all the best in his future and wish to see him more in the management programs.
