

CAMBRIDGE IGCSE

Preparatory Course for Cambridge International General Certificate of Secondary Education (Cambridge IGCSE)

Course Duration : 22 months (Full - Time)

Course Overview : The Cambridge International General Certificate of Secondary Education (Cambridge IGCSE) is an internationally recognised qualification designed for students aged 14 to 16. It is offered by the Cambridge Assessment International Education (CAIE), which is a part of the University of Cambridge. The Cambridge IGCSE is based on a learner-centred approach emphasising active participation and problem-solving skills. It encourages students to develop critical thinking, communication, and collaboration skills that are essential for success in higher education and in the workplace.

The objective of this course is to prepare students for the Cambridge International General Certificate of Secondary Education (IGCSE) Examinations, giving them a better understanding and overview of the Cambridge IGCSE Examinations academic subjects. Students will be trained with continual formative weekly, monthly and end-of-term assessments, which allow them to manage their time, examine pressure, stimulate critical thinking and active recall of concepts in an actual exam setting and perform at their optimum level.
